Dehradun, Uttarakhand | +91 8294695100 | anasamin822@gmail.com | LinkedIn: linkedin.com/in/anas-amin-441b1136a | GitHub: github.com/anasamin822-dotcom

Professional Summary

Motivated Front-End Developer and B.Tech CSE student with a strong academic background (8.52 CGPA) and hands-on experience building interactive web applications and AI-integrated front-end interfaces. Skilled in React.js, JavaScript, Python, HTML5, CSS3, and Computer Vision integration. Proven track record in hackathons and rapid project deployment, seeking freelance projects and developer opportunities.

Technical Skills

Languages:	JavaScript (ES6+), Python, C, HTML5, CSS3
Front-End & Tools:	React.js, Tailwind CSS, Streamlit, Git, GitHub, VS Code
Specializations:	Responsive Web Design, UI/UX Optimization, Computer Vision Web Integration (OpenCV, MediaPipe)
Core CS Concepts:	Data Structures & Algorithms, Operating Systems, Computer Networks

Featured Projects

AI Gym Coach – Real-Time Pose Tracking & Rep Counter	Python, OpenCV, MediaPipe, Streamlit
--	--------------------------------------

- Engineered a real-time computer vision web application to monitor exercise posture and calculate rep counts automatically.
- Integrated MediaPipe pose estimation with Streamlit to deliver interactive visual feedback and rep tracking on live camera feeds.
- Implemented robust form tracking logic for posture correction and deployed the functional web app on GitHub Pages/Streamlit.
- GitHub:** github.com/anasamin822-dotcom/ai-gym-coach | **Live Demo:** anasamin822-dotcom.github.io/ai-gym-coach/

Tier-3 Insider – College Evaluation & Transparency Platform	JavaScript, HTML5, CSS3, React.js concept
---	---

- Conceptualized and engineered a responsive web platform helping 12th-grade graduates evaluate Tier-3 institutions using genuine student reviews.
- Designed interactive and structured user interfaces to provide transparent insights and bridge the gap between freshers and seniors.
- Showcased and pitched the functional project prototype at an inter-university hackathon hosted at Quantum University.

Education

Tula's University, Dehradun	2024 – Present
Bachelor of Technology (B.Tech) - Computer Science & Engineering (Core)	CGPA: 8.52 / 10.0 (Sem 1)

Achievements & Soft Skills

- Hackathon Pitcher:** Built, presented, and defended functional web prototypes under competitive time constraints at Quantum University Hackathon.
- Academic Excellence:** Maintained top academic standing with an 8.52 CGPA in B.Tech CSE Core.
- Key Soft Skills:** Problem-Solving & Debugging, Effective Technical Communication, Fast Adaptability to New Tech Stacks, and Project Time Management.
